IO S 2.10 Stacking kit

/// Hoja de Datos

Stacking kit for tempering chambers INC 125 F digital and INC 125 FS digital.

This accessory is required to stack two units of INC 125 incubators on top of each other. When stacking different types of incubators, it is recommended to place the INC 125 F digital incubator on top of the INC 125 FS digital incubator shaker.
